

LayeredProtocolBase

```
classDiagram
    class LayeredProtocolBase
    class Rlc
    LayeredProtocolBase <|-- Rlc
```

A UML class diagram showing a base class relationship. The top box is labeled 'LayeredProtocolBase' and the bottom box is labeled 'Rlc'. A vertical arrow points from the 'Rlc' box up to the 'LayeredProtocolBase' box, indicating that 'Rlc' inherits from 'LayeredProtocolBase'.
